Dear Harold,

I thank you for
analysis.

Perhaps, you should
"wash your hands of
The Ray Matter". Ray, a
Cunning deal con, a spy
with no secret, has buried
himself and become a
dead issue. A matter
below your time.

The silence of The
Kennedy family makes
them an accessory. A
dead brother is no
brother. Whatever their
motives, we can only
judge acts. Ted, a self-
seeking narcissist, who
assumes a what can
it do for me approach.
America is a victim
of their fears and ambition.
You're far superior
to this crew!

How many thousands
have died or become human
vegetables while they

Cringer and sent over to
Burke Marshall!

This Judgement
is harsh but fair.

The N.G. Frame could
be worked into W.G.,
a story of fantastic
depth!

Smackles,
